MRS. MARY GREEN

Dedication

There is an old French proverb that says "Gratitude is the heart's memory." If this is true, then the memory of Mrs. Mary Green will always be one of sincere admiration and genuine esteem for her many efforts on our behalf. To perpetuate these sentiments, we, the students of Serra Catholic High School dedicate this year's annual to our beloved teacher. In the past five years she has worked unceasingly for our welfare. We, her students are grateful for the help she has given us in realizing our responsibilities as Catholic students. From her good example we shall long learn and profit.

It is with greatest reverence, therefore, that we dedicate the 1965 Serran to our friend and teacher, Mrs. Mary Green.

ACADEMICS

Father John spouts a friendly smile as he welcomes visitors into his office.

Senior boys consumer economics class pay close attention to Father Lester's instructions.

Keeping Serra Alive

Reverend John Francis de Paemelaere, O.F.M. heads Serra in her effort to keep alive and active in '65. Father is principal of 460 students, registrar, head of Student Council, school development, finance, public relations, and Parents' Club. Father John also teaches the senior girls religion and has an active interest in each one of the Serra students.

Father Lester ponders one of the many questions asked him.

Reverend Lester Mitchell, O.F.M. has a full schedule each day teaching senior boys consumer ec, sophomore boys religion and substitute teaching the senior girls modern problems. Father also has many extracurricular duties: Dean of boys, disciplinarian, Student Council adviser and promoter of vocations which keep him very busy.

Senior girls religion class listen carefully as Father John explains the evils of segregation.

Sophomore girls absorb Sister Sheila Marie's tips on better English.

Sister Sheila Marie,
F.S.P.A., acts as the Dean of
girls, Student Council adviser
and Honor Society moderator at
Serra. Besides these weighing
duties Sister teaches many
classes.

Jean Meyer prepares to ask a question in Senior English.

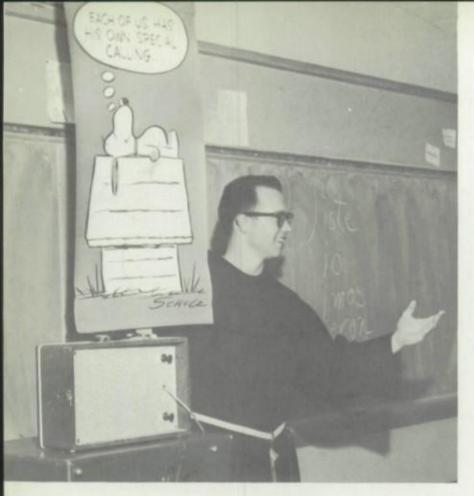

Second period study hall creates quite a problem for Sister Sheila Marie.

Among these are: Freshman girls English, Senior boys and girls English and is the Senior girls homeroom adviser. Sister Sheila Marie holds a B.A. and M.A. degree and tries enduringly to bring more life into Serra.

A Study of English

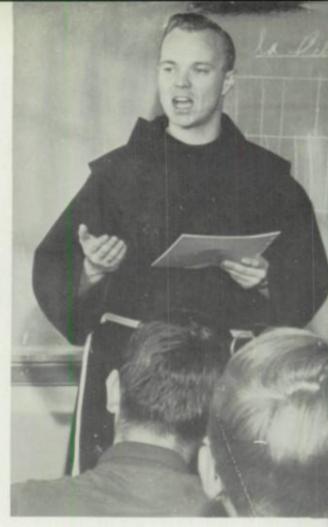

Father Vincent pickets the Junior boys religion class.

Reverend Vincent
Fitzgerald, O.F.M., is
doing his part to keep
Serra alive by acting as
director of the Third Order and also as coach of
the golf team. Father
also teaches the Sophomore and Junior boys
Spanish and religion, plus
Spanish II to the Seniors.

Language A Key to Understanding

Father Mel pronunciates each syllable correctly.

Father Vincent uses his Spanish lab equipment to help the Sophomore boys "comprehendo".

"Spanish isn't as easy as I thought" moans the first year Spanish class.

Reverend Mel Bucher, O.F.M., is Serra's Social moderator but Father spends most of his time teaching Spanish and religion each day. Father Mel holds a B.A. degree and was new at Serra this year.

Junior boys religion class are taught the mysteries of their faith.

The drama class rehearses their version of the "Peace Prayer of Saint Francis".

The Meaning of Numbers

Sister Mary Gerardine, F.S.P.A., heads Serra's dramatics class, is moderator of assemblies, and speech club instructor. Sister also teaches geometry, algebra, and English. Sister holds B.A. and M.A. degrees.

Sister Gerardine pauses to fill out the absentee slip before class.

Class is over and the Freshman girls prepare to leave Modern Algebra.

Rob Boaz contemplates one of those "tough" trig prob-

Sister Aquina uses her "pocket size" slide rule.

John Vanderzanden looks for his white precipitate.

Sister Aquina demonstrates the "how" of performing experiments in chemistry.

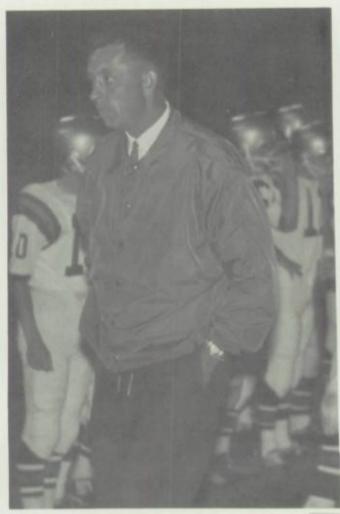

A Study of Creation

Sister Mary Aquina, F.S.P.A., adds a lively spirit to Serra by actively heading the school annual staff, the girls pep club and the GAA. Sister also teaches Senior trigonometry, modern algebra, chemistry and biology. She holds a B.S. degree and offers her time willingly to help each of her students.

Sophomore girls get a first hand look at the wonderful world of microbes.

Coach Brown watches each play of his football team for some flaw.

Building Minds and Bodies

Mr. GrosJacques checks over the material for his world geography class.

World geography provides an interesting challenge to the Sophomore boys.

Mr. Leo GrosJacques is Serra's athletic director. He also teaches world geography, P.E., and world history. Mr. Gros-Jacques has been coach of Serra's basketball teams for ten years and has done a remarkable job.

"Coach of the Year" that's Mr. Brown. Serra is proud of her football coach who pulled this honor out of all the Catholic high school coaches in Oregon. Sports are Mr. Brown's favorite subject but his B. A. degree enables him to teach U.S. history and P.E. His involvement in athletics leads him to the position of Lettermen Club adviser.

"Just three more," groans Mike Kerber as he pulls a little harder.

Lynn Peterson and Ken Hesketh work hard, getting their cookies ready to bake, while Mike Sullivan takes out a batch of his little "goodies".

Nancy Schnoebelen carefully cuts her material from a pattern.

Home economics is Sister Mary Raphaelita's, F. S. P. A., field. She teaches homemaking daily plus the Freshman girls English class.

Serra's students are fully aware of Sister Raphaelita's presence each time they venture past the home ec lab and smell the fragrant aroma of her "goodies".

Barb Hopfer and Pat Yeager get the cookie dough ready while Linda Kellogg greases the pan.

Thresholds to Adult Living

Sister Raphaelita puts the final touches on her apple pie.

Sandra O'Malley proudly completes her first skirt in home ec class.

"One more time" says Mrs. Marker as she makes the sopranos strive for perfection.

Striving for Perfection

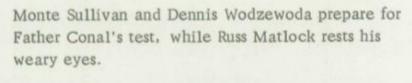

Mrs. Rita Marker comes to Serra each day during seventh period to teach glee club. Her excellent effort has made Serra's glee club an improved and successful group.

Reverend Conal Furlong, O.F.M., head the school paper, "El Serrano", and the boys pep club. He also teaches English and religion and holds a Bachelor of Arts degree.

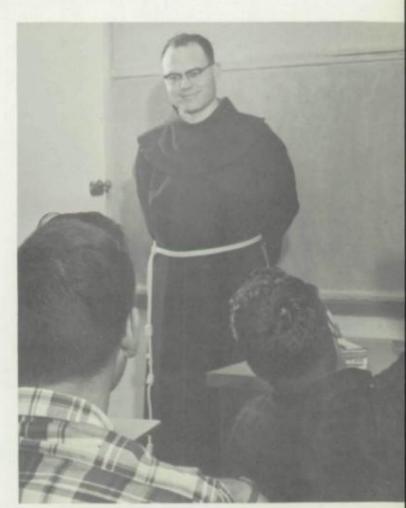

Mrs. Marker and her glee club prove that "practice makes perfect".

Father Conal patiently listens as his class asks him "intelligent?" questions.

Kris Jarvis and Barb Sprauer mathematically calculate the weight of water.

Sophomore girls work frantically to finish their religion test, before the bell rings.

Fr. Angus Cooper, O.F.M., is a young priest who enjoys teaching, especially teaching science. Father holds a Bachelor of Arts degree and teaches Freshman elementary algebra, Senior physics, Freshman modern algebra and Sophomore girls religion and holds the title of guidance director at Serra.

Rob Boaz and Jack Ritchie set up an experiment with Alan Coffel expertly assisting.

Science The Statement of Truth

Fr. Angus has a "pulley" with the Senior class.

"Shhhhh..." Father Eugene has a hard time keeping the Sophomore boys quiet.

Searching for Knowledge

Reverend Eugene Burnett, O.F.M., has been at Serra three years and during this time has brought life into many of Serra's activities. Father teaches U.S. history, religion and Latin. Besides his full schedule Father also gives his time as Key Club moderator, but the boys will remember Father Eugene as the "friar" who was always willing to open the gym and engage in a lively game of basketball.

Reverend Daniel Sharpe, O.F.M., serves as social moderator II and also teaches Freshman and Sophomore boys English, Sophomore girls religion and Freshman boys religion. Father holds a B.A. degree and has been at Serra only one year.

Frosh boys seem to enjoyFather Eugene's "funny" puns.

Father Daniel momentarily loses the attention of his class.

Father Daniel writes his notes on the board for his religion class to use.

History - Key to Understanding

American history and modern problems were Mrs. Mary Green's subjects in '65. She taught both her subjects with confidence stemming from five years of experience and degrees of Bachelor of Science and Master of Arts. Mrs. Green put into her teaching a feeling of warmth and understanding which instilled in her students a true love and loyalty for their country.

Mrs. Green is bombarded with questions during the history class.

Relaxed Senior girls listen to lectures on the racial problems, a true "modern problem".

Monica Green and Theresa Schmid absorbed in the fundamentals of U.S. History.

Searching for Reasons

Keeping "silence" in the first period study hall is Mr. William Gieber's task. At times it seems hopeless but he never gives in. Mr. Gieber has many other "jobs" to perform at Serra too. Among them are teaching biology, general science and P.E. He holds his B.S. degree and uses it readily to answer the searching questions of his students.

"Are you sure this isn't alive?" Bob Koenig * asks Barry Peine during their biological dissection.

Mr. Gieber proves that biology can be fun, sometimes.

Mr. Gieber answers a searching question in his biology class.

Freshmen take an active interest in their general science class.

Mr. Christensen covetingly hangs on to his grade book.

Mr. Oscar Christensen was new at Serra this year, but brought with him the knowledge necessary to teach the Senior boys modern problems. Mr. Christensen holds a B.A. and M.A. degree and taught at O.C.E. for 39 years before coming to Serra.

Mrs. Shephard shares her knowledge with the Sophomore boys.

Giving Their Time to Help Enlighten

Mrs. Helen Shephard spends two hours at Serra each day teaching English to the Sophomore boys.
Mrs. Shephard holds a Bachelor of Arts degree.

Is Chris Schiess intently studying? NO, he's working a maze puzzle.

Dick Pavelek and Tom Kelly demonstrate the correct typing position.

"Make those fingers type, type, type", says Mrs. Galloway.

Business Education - Key to the Future

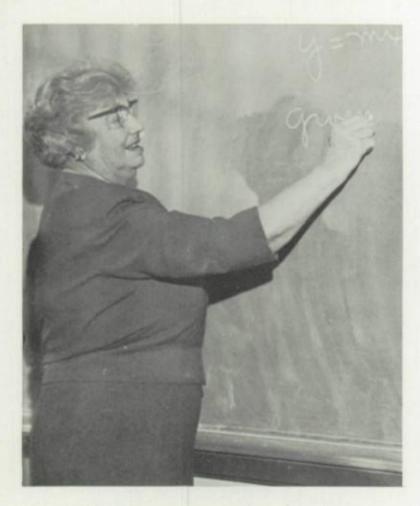

Mrs. Galloway helps Nancy Gallagher translate the "wiggles" in her shorthand book.

"Open your books and get ready for a timed writing." These are the words coined daily by Mrs. Blanche Galloway as she instructs her students in the art of fast, accurate typing. Mrs. Galloway holds a B.S. degree and helps prepare Serra students for the business world by offering courses in shorthand and bookkeeping.

Senior girls learn the mathematical art of bookkeeping.

Miss Holt is always anxious to show her class a new algebraic method.

Offering Their Knowledge to Others

Advanced mathematics students owe a debt of thanks to Miss Beryl Holt for the time and effort she gives to help her students understand the value of numbers. Miss Holt is Serra's only advanced algebra teacher and she does her job well.

Mrs. Backus is a new teacher at Serra this year and spends her time teaching world history to the Freshman girls. Mrs. Backus holds a B.A. degree.

The advanced algebra class puts their study time to good use.

"Gee, did Caesar really do that?" the Freshman girls inquire.

Mrs. Backus listens to the questions of her class.

Mr. Steinhauser points out his favorite pictures.

Art - A Language of Its Own

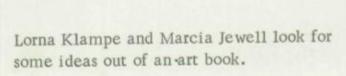

Mr. Fred Steinhauser uses his time daily teaching P.E., world history, and art. The Freshman football team owes its experience to Mr. Steinhauser's coaching ability and the GAA girls football team enjoyed his coaching tips in their practice sessions.

Mr. Steinhauser gives the Frosh boys a new look at ancient his tory.

Nancie Gunn practices her lettering to give her school posters that professional touch.

Camera man takes Senior boys Religion class momentarily away from Father Hagen.

Religion - Key to Living

Father Robert Hagen from Saint Joseph's parish and Father Neil Williams from Saint Vincent's parish come to Serra each day to teach religion to the Senior and Freshman boys. Both the priests hold B. A. degrees and their unselfish effort to help us is very much appreciated.

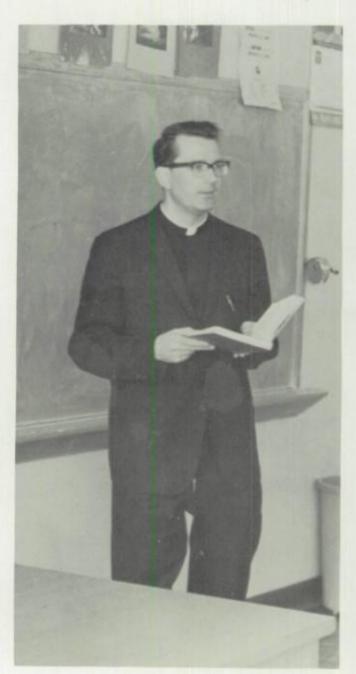

The Freshman boys learn the responsibilities of their Catholic faith.

Father Hagen quotes another source on his philosophy of life.

Father Williams takes time out from his parish duties, to teach Frosh boys religion.

The Pulse Beat

Keeping Serra clean is a big job but Mr. Clem Unrein and his assistant Mr. Bob Carpenter perform this task in a remarkable way. Mr. Unrein has been custodian at Serra nine years and Mr. Carpenter has been helping for three years.

460 students are a lot to keep track of but Mrs. Geraldine Burger keeps tabs on all of them, plus performing all of the odd jobs that must be done to keep Serra on a smooth running basis.

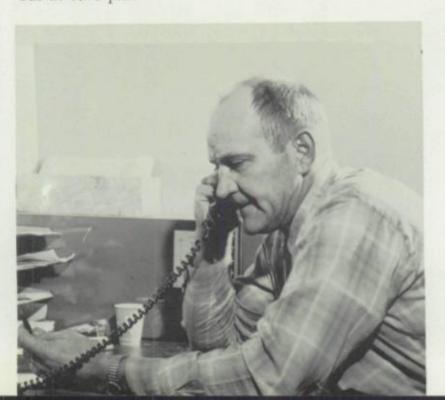

Half of Serra's student body takes advantage of Mr. Homer Kuper's services when they board the buses. Mr. Kuper spends the extent of his time repairing the buses, planning the routes and caring for all the other necessary things that must be done as head of the transportation department.

Serra is kept warm because Mr. Unrein keep the furnaces in shape.

Mr. Carpenter waits for the mob to board his bus at 3:15 pm.

Lee Joyce and Mrs. Burger have a friendly chat between classes.

Mr. Kuper works hard to arrange the bus schedule.

Fran Fitzpatrick practices the speech which brought her third place in the "Voice of Democracy" contest.

Students Awarded Honors

Diane Whitby uses her homemaking skills in the kitchen after winning the Betty Crocker Homemaking Award.

Tom Kropp, mathematics award winner, takes his faithful calculus book everywhere he goes.

Kris Jarvis and John Maneely were selected as salutatorian and valedictorian from the class of '65.

John Desmarteau, Steve Wright, Dave Hanel, and Dale Jackson were awarded cash prizes as top salesmen in the school candy drive.

for Outstanding Achievement

John Deagen, who was awarded the Bausch and Lomb Science award, demonstrates his skill with the use of lenses during a physics experiment.

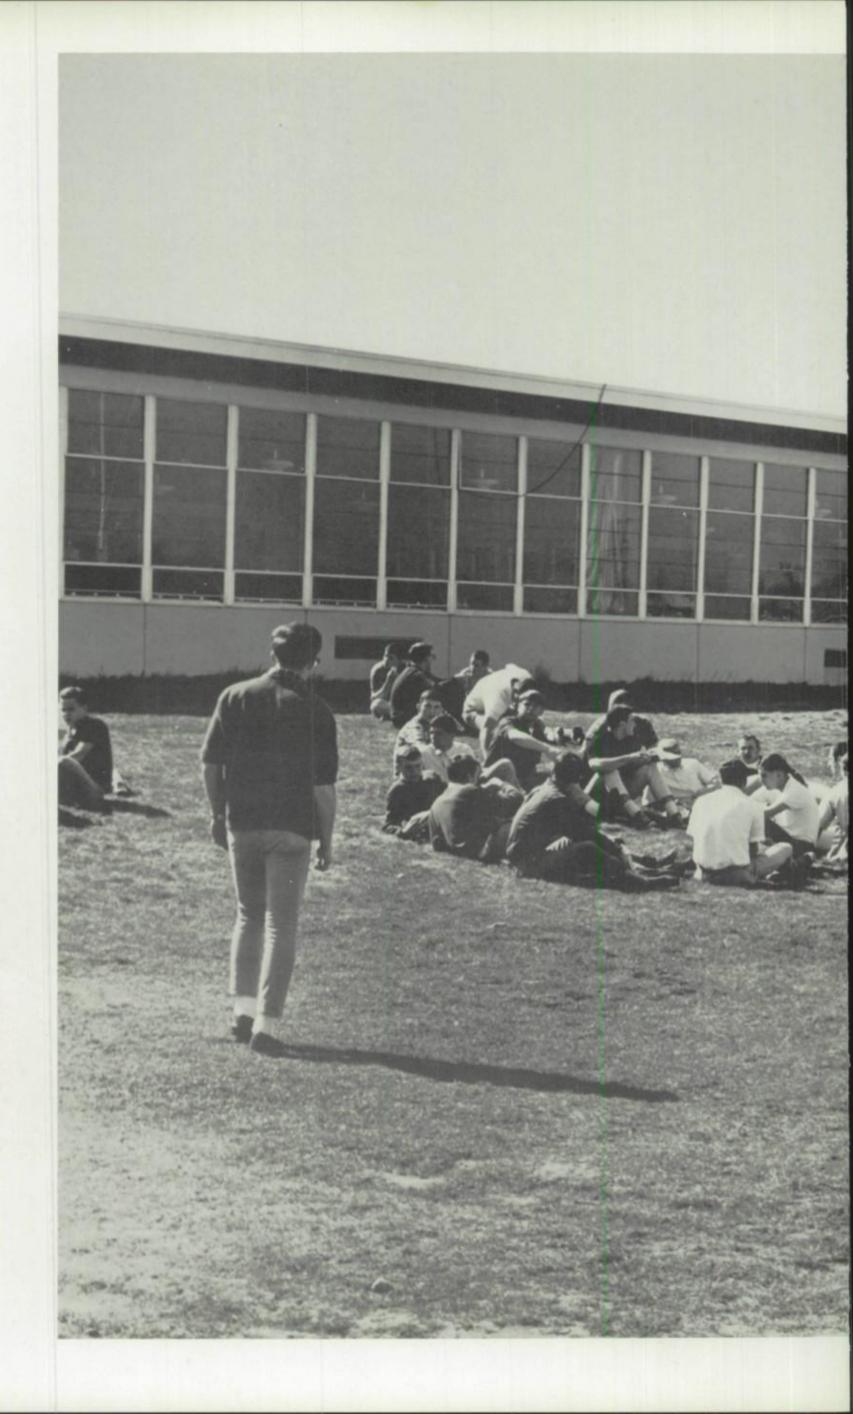

Virginia Nelke placed second in the district with her speech on soil conservation.

September Begins Final Year for Seniors

On September 8, Serra opened its doors and the Seniors knowingly trod in. It was the beginning of their final year. Everything seemed the same, except this year Serra had added a new addition. At first things seemed strange, the new way was so different. But gradually the separation became common and the year went on. There were new teachers to meet and new friends to make.

Father Lester, the poverty vowed friar, begs his daily bread.

Homecoming Prepared and Celebrated

Within days after the elections were over the class began work on Homecoming. The committees were appointed and things began to happen. Night after night the gym was bustling as the Seniors planned and decorated for their big event. The gym, the school, all reflected the Seniors willingness to work.

S.A.T. Taken, Term Papers Readied

After the celebrations and as the decorations came down life resumed its natural flow, but something was now unnatural. The football team had reached first place in its league which meant the State quarter-final playoff with Vale. On November 14, the game was played but Serra lost this one. Four of her Seniors though were chosen as All-State gridders: Gene Cavell, Ted Albrich, Dick Pavelek and Tim Smith.

Football at Serra had ended for The Seniors with a league championship and now their thoughts turned to the Scholastic Aptitude Test that must be taken to enter college. This meant a month of worry and tedious relearning of basic principles. December 5, arrived and it seemed like the moment of truth, but when the test was over a sigh of relief went up and life again resumed its natural order.

College Applications Sent in

The natural at Serra involved many, many things especially the preparation of term papers for religion classes and the decision of which college to attend next year. As the days passed the papers were finished and the deciding ended as the applications were sent in. Now all that remained for the Seniors was to wait.

With the dawning of spring and the start of Easter vacation, the Seniors' thoughts turned toward Monday night, April 19, and the Senior Class banquet. The affair began with a three course meal served at Illahe Hills Country Club, followed by two and one-half hours of dancing to the music of Arnie Manke and his orchestra. The affair brought almost the entire Senior Class together for their final social event of high school.

A Worthwhile Retreat

The Seniors' next venture came in a spiritual way. On May 12, they boarded the buses and headed for Shaw to take part in the retreat day. The day was filled with lectures and discussions among the priests and students. The Seniors discussed the renewal and reform within the Church and other prominent issues related to their faith.

May 25 was the day that the Seniors chose to board the buses and head for the ocean to enjoy their outing. It was a bright and beautiful day and as the Seniors' feet touched sand the excitement began. First, a hut was built to keep out the wind, but it was backwards; there was a football game on the beach, pipo-boards were attempted and conquered, canoes and rowboats were paddled out on the lake, rubber rafts were bounced across the waves, and as a climax, four monstrous bonfires were built. It was an exciting and fun-filled day... one that will long be remembered by all the departing Seniors.

On Sunday, May 23, the Seniors in their caps and gowns gathered in Queen of Peace Church for their baccalaureate services. Ten days later graduation arrived. The Seniors filed into the gym and received their diplomas. And thus their final year at Serra had ended. The year was over and high school was through. They walked through the halls and out the door for the last time as students of Serra Catholic High School. They are prepared and eager to meet the world face-to-face. Sophomores

1965 was a developing year for the Sophomores. Their class is laden with talent, both athletically and cademically. The Sophomores comprised the largest part of the J. The mental ability of this class is exemplified in the fact that Virginia Nelke placed second in the district in the Soil Conservation essay contest and Francine Fitzpatrick placed third in the regional Voice of Democracy contest. A little scared, a new class of students slowly drifted into the halls of Serra. They were the beginning class of Serra and came with the desire to see all, know all, and to be all. A little skeptical of teachers, regulations and upperclassmen, they were cautious in trying new things. Their proudest moment came when they were initiated into Serra and finally recognized as students of Serra, called "Freshmen". Friendliness is their pass word, and they have a real desire to make a good impression their first year. They tend to bunch together, sit on the lawn, support all school activities, and change their opinions often.

Their school spirit started out with a cup cake sale to improve the school furniture. They would do anything for Serra. Dreams and wishes make their world go 'round and so the Frehmen are the foundation of school spirit and the builders of big ideas of tomorrow.

SPIRITUAL

Students Participate in First Friday Offering

The students place their hosts in the ciborium before Mass begins.

On the First Friday of each month the holy sacrifice of the Mass is offered in the gym for all the Serra students. There are two tables, one on each side of the altar, with the hosts and ciborium situated on each, as the students enter the improvised church those wishing to receive communion place a host in the ciborium. At the offertory the altar boys take the hosts to the altar for consecration and the Mass proceeds. The First Friday Mass follows all of the new ecumenical rulings and brings about a new and exciting participation among the students.

Members of the football team attend Benediction before the Friday night game.

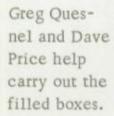

Once a month the Third Order holds adoration of Benediction in the chapel. The entire student body is invited to attend; during football season the football squad took part in the adoration.

Benediction is a small but meaningful ceremony which enriches a person's love for God.

Thanking God by Giving to Others

A Golden Mass is traditionally celebrated at Serra each year on the day before Thanksgiving. Each student participates by bringing a toy and during the offertory procession placing it in a box situated by the altar. The toys are used as gifts for the less fortunate children at Christmas time and this year's response filled 7 large boxes.

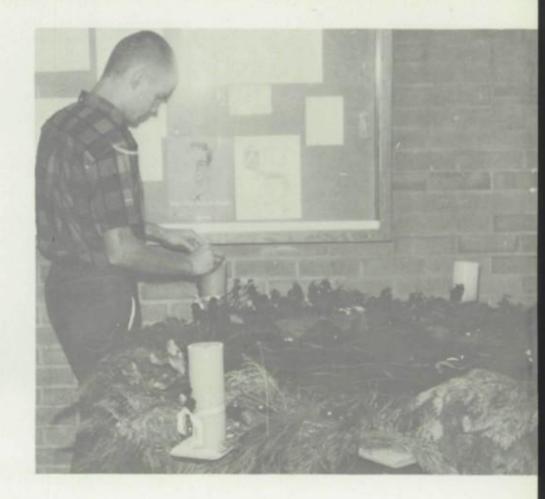

Father Vincent shows Father Angus the new English translation before Mass begins.

There are many spiritual activities in which the students can partake during Advent. An optional mass is held in the chapel every Tuesday and Thursday morning and the traditional Advent ceremony is held in the center of the hall once a week. In such ways as these the preparation of the coming of Christ becomes more active and more personal to each student.

Virginia Prange places a host into the chalice, before Mass.

"Candles are my business", spouts John Deagen as he rearranges the wick in the Advent candles.

May 12 called the Juniors and Seniors to the annual Day of Recollection held at St. Mary's in Shaw. Principal speakers were Father Kalberer, Father Schindler, Father Bertram Van Slyke, and Father Garvey, who talked on different aspects of freedom in the Church. After each talk, a discussion was held and questions were presented to the speakers. At the end of the day, Community Mass with singing was held in the auditorium. The questions, controversies, and thoughts projected were beneficial to all.

Freshmen Football

A football team's season record is not always a true picture of its spirit and effort. This was true of this season's freshman team. Although they compiled a mere 1-5 record, they displayed the terrific determination and team spirit that has been a tradition of the past Serra Saber teams. With this year's experience behind them and a continuation of this effort, we can look forward to another great J. V. team for the 1965-66 season.

The Youth of Today

The Student Council of Serra Catholic High School consists of the five student body officers, a representative of each homeroom, the president of each club, and the faculty advisor. Only the student body officers and homeroom representatives have a voting power. The Student Council meets regularly once a month to discuss and vote on issues concerning the student body. Student Council members are called on to attend conferences as representatives of their school, to maintain school spirit by sponsoring activities for the student body and to keep their classmates informed on the proceeding and decisions of the Student Council.

Through instruction, prayer,

God.

The meetings are held every Friday, after school, and consist of instruction, common prayer, benediction, and discussions on major social issues with guest speakers.

Besides working among themselves, Third Order participates in other social activities. Every Thursday they visit the state hospital and work with the people by playing sports and helping them with their hobbies. On Friday night the Third Order brings the patients to Serra's home basketball games.

The Third Order also has an annual Christmas celebration, called the Los Posadas, with the Spanish speaking residents in the Woodburn area. Boxes are filled with toys and clothing contributed by the students, and wrapped by Third Order to give these people a merrier Christmas.

The Douzettes, a marching group, were formed and provided new entertainment at the basketball games during the half-time. An "old-fashioned" record hop held in February, the selling of booster buttons thru-out the football and basketball seasons, and the spring fashion show, "My Fair Lady", constituted a large range of activities for 1964-1965. An aching back from bowing to the "mighty" Seniors. Perhaps these were some of the difficulties encountered by the Freshmen as they played their part in the annual Initiation Day. On September 29, 1964, the Freshman girls donned long, unattractive skirts and thongs wrapped in plastic bags, while the boys arrived in baggy pants and bandannas. The Seniors gleefully enjoyed the embarrassment of the Freshmen as they played ring-aroundthe-rosy, carried books, shined shoes with a toothbrush between their teeth, and, in general, submitted to the "evil" wishes of the Seniors. After a tiring day, the "mighty" Seniors decided that the "lowly" Freshmen had passed the necessary qualifications to be labeled a student of Serra High School.

Homecoming 1964 Leaves Memories

Homecoming 1964 was alive with activity. Nancie Gunn was chosen to reign over the festivities and her court consisted of: Senior crown princess, Lynda Rom; Sacred Heart princess, Theresa Murray; Junior princess, Jimme Kaye Brewer; Sophomore princess, Patty Doerfler; and Freshman princess Mary Sue Thompson.

The Homecoming activities were wide and varied. A colorful sky of balloons acknowledged the arrival of the football team, the goal posts were dressed in red and gold, a "cool" convertible ride was taken by the court at halftime, a smashing victory was won over JFK's football team, the coronation of Queen Nancie at the Homecoming dance, the gym bursted with the lively sounds of the Che-Vels.... these were the memories chalked up to Serra's Homecoming----1964.

for Qualities

At the end of the school year the newly elected Student Body officers nominate three girls and three boys for the honor of boy and girl of the year. The Nominees are submitted to a faculty board and the decision is then made.

The committee was established to give recognition to those Seniors who have used their talents to the advantage of their school.

Tom Lebold and Mark Parkison in charge of the music take time out to help set designer Mike Waser finish a tree.

"Dinny and the Witches" was Serra's only theatrical production this year. The play was produced by Serra students under the direction of Sister Gerardine F.S.P.A. and included members from each of the four classes. The play was presented on the week-end of May 1, 2, and 3 in Serra's gym and acquired for the school approximately \$800.

"This one's important, Sabers! Put it in", silently prays Sally MacMahon and the other rally squad members.

J.V. RALLY-- Pat Doerfler, Sharon Zumstein, Mary Pat Mikulic, Candi Platt.

The Spirit

There were times when the weather was bad, the spirit was broken and it all looked useless. These were the times that Serra's cheerleaders burst forth, encouraging, scolding, yelling, making it known that Serra was behind her team.

It took hours of practice and many an aching back to reach the goal of a good yell leader but this year's rally squad reached that goal and the students were proud of them.

Passes on

The new varsity cheerleaders for the school year of '65-'66 are Carol Grosjacques, Margie Ann Miller, Kathy Bronec, Pat Doerfler, and Jimme Kaye Brewer.

Margie Ann Miller dazzles the crowd with a spectacular cart-wheel.

Friday, April 30, found 18 girls anxiously awaiting the voting returns from cheerleader elections. Eleven Junior and Sophomore girls performed for varsity tryouts while seven Freshman girls nervously cheered during J.V. tryouts. The results polled four Senior girls and one Junior girl to cheer the Sabers on to victory, while the J.V. support will be led by four Sophomore girls.

Ann Shindler demonstrates her amazing agility by doing the splits during J.V. cheerleading tryouts.

J.V. CHEERLEADERS--Mary Sue Thompson, Karyn Schumacher, Mary Jo Earls, Michelle Sommer.

Seniors Dine and Dance

On Monday, April 19, the Serra Parents Club and the school faculty sponsored a Senior Class Banquet for the Serra Seniors. The affair, featuring a three course meal and dance music by Arnie Manke and his orchestra was held at Illahe Hills County Club from 8:00 pm to 12 midnight. This was the first such venture for Serra parents, faculty and students. The Banquet was initiated to replace the sparsely populated Junior-Senior Prom. It proved to be a worthy replacement, enticing almost the entire Senior Class to attend.

Lou Ann Doerfler and Miles Seeley enjoy their evening at Illahe.

The couples leave the dining room and head for the dance floor just in time to have their picture taken.

After the main course, Ed Davis and his table restfully await dessert.

Doug Epping tries to get Jack Ritchie to talk but he's too busy---eating.

Sandi Jorgenson passes beneath the floral arch while modeling this springtime gown.

Sue Schmitz and Michelle Sommer help the backstage crew set up for the next scene.

"My Fair Lady"

Many weeks of work and preparation by Serra's Pep Club climaxed the evening of April seventh when the fashion show "My Fair Lady" was successfully presented. The garments for the event were provided by Meier and Frank Co. and the models were chosen from among the Pep Club members. The proceeds from the evening will go to help pay for uniforms for the 1965-66 drill team.

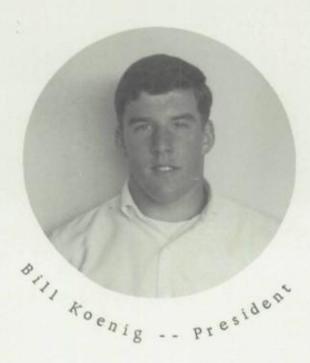

The glee club lends their talent to help make the show a success.

Colleen Bush pivots around to show the entire audience her sports attire.

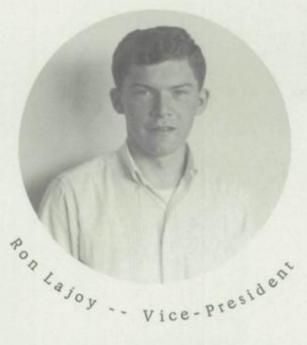

Students Elect

May 12, capped a week of vigorous, hardfought, and controversial campaigning. The speeches, filled with promises, jokes, and serious topics were read, leaving many students re-evaluating the candidates. Finally a majority decided the future of the school and elected Bill Koenig, president; Ron Lajoy, vice-president; Mary Pat Mikulic, secretary; Dave Cramer, treasurer; and Dave Price, activities manager.

Sandi Jorgenson makes her bid for vice-president.
